

# The Lords Prayer

## WORSHIP

### Our Father Who is in heaven:

Let us meditate and speak to God about how grateful we are that He has accepted us through our faith in Christ and has adopted us into His family. **Galatians 4:4-7**

### Psalm 139

Learn to worship by praying Psalms. Begin with Psalm 1 and work through all the Psalms eventually.

### Hallowed be Your name:

We learn about God's character, which is in His name.

Lord Jesus Christ=God Who is the Messiah, Yeshua = God Who is our salvation, I AM = I have no beginning and no end, King of the universe, Son of God=I am God and the exact representation of the Father.

### God's will

### Your Kingdom come, your will be done on earth as it is in heaven:

We pray for God's Kingdom to come and for God's will to be done. God gave Israel promises, and one of them is a kingdom. We are the bride of Christ, but we desire to have God's kingdom rule in our lives, hearts, and those we love. Pray through these categories. Get honest with God in all you do, say, and are.

### Pray for the following:

| God's Kingdom come and His will be done | Lay out your supplications                                |
|---|---|
| The Church                              | Lay out others needs                                      |
| Peace for Israel                        | That we carry out God's mission for us to make disciples. |
| Our Country                             | That we are laborers for the harvest                      |
| Our Church                              | That his will be done in our church body                  |
| Our life                                | That he will teach you to be a servant                    |
| Needs of others                         | That you will see the needs of others.                    |

## **Gratefulness**

### **Give us this day our daily bread.**

Take time to be grateful for what we have. Thank God and worship him for your life and those in it.

## **Forgiveness**

### **And forgive us our debts, as we also have forgiven our debtors.**

Pray you will forgive others and that God will forgive your debts to others and to him from sin. Make it a key point to repair if possible. Thank him for his forgiveness. Don't have anyone owe you or owe them.

"For if you forgive others for their transgressions, your heavenly Father will also forgive you. But if you do not forgive others, then your Father will not forgive your transgressions."

### **And do not lead us into temptation, but deliver us from evil.**

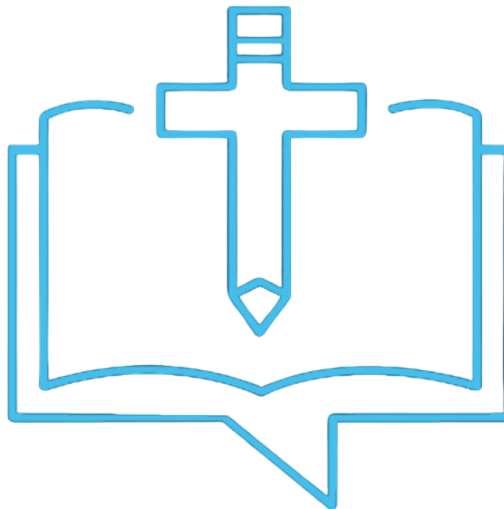

Do you know that our choices and our desires can lead us into temptation? Ask God to search your heart for desires that are not aligned with His will.

David prays in Psalm 139, saying that the Lord should examine our motives. Pray that you will not be distracted.

### **For yours is the kingdom and the power and the glory forever. Amen**

Take time to worship the Lord again and be in gratitude and gratefulness, for he is in control.
